

P7A Learning Timetable

9th October - 11th October 2017

Literacy and English

Read

I am exploring how inference is used to convey ideas and opinions

- Identify words which suggest feelings/opinion

I am improving my skills in finding information

- Identifying what the question is asking me
- Retrieve information needed from the text

Write

I am learning how to present information in leaflet format

- Using informative tone and vocabulary
- Using a plan to structure and sequence my facts
- I use my success criteria to plan and edit my work
- I link my learning from other areas of the curriculum

Listen and Talk

I am working collaboratively throughout the curriculum

- Taking my turn to speak and listen
- Show respect for others ideas
- Build on others ideas
- Share my thinking and ideas to further my own, and others learning

Numeracy and Maths

I am extending my skills in number structure

- Convert between fractions, decimal fractions and percentages
- Practise jump to the decuple and transformation addition and subtraction strategies

I am extending my skills in time

- practise my skills in 12/24hr conversion
- calculate time durations in 12 and 24hr time
- explore time changes across the globe

Health and Wellbeing

I can create drills to improve ball control during movement

- I work collaboratively, rationalising the different aspects of the drill
- I can recognise my own feelings and signs of peer pressure and am aware of how they can affect friendships

Growth Mindset

I am building on my learning in growth mindset

- Identify what is important for me as an individual learner
- Identify barriers to my learning and how I may overcome them

French

I am revising my learning in French to

- Answer the register
- Follow class commands
- Share details about myself and ask about others
- Use fuller sentences

Science

I can classify animals and plants using the Linnaean system

- apply learning about the Linnaean system to classify an animal of my choice
- identify features that separate different species

Notes/Event

- Miss Renton will be at P6 camp on Thursday/Friday. Mrs Shaw will teach P7 on those days.
- 'Lightlab science workshop on Friday morning will take part at Newton Church Hall.
- **Homework:** Set reading, LCWC spelling words 3 times in jotter and 3 Studyladder activities (1 numeracy, 1 spelling, 1 own choice). Students can select additional activities from the bank set by the teacher as an extra challenge!
