

P4 Learning Timetable

21st November – 28th November 2017

Literacy and English

Read

Reading fiction and non-fiction texts to develop comprehension skills and grammar knowledge.

I am learning to expand my knowledge and understanding of non-fiction and fiction texts.

Visit to library to choose own book to present in 3 weeks time.

Write

I am learning to create non chronological reports

- Researching a topic independently and collecting appropriate information.
- Inserting information, in own words, into a report.
- Thinking about structure and presentation.

Listen and Talk

I am learning the rules for talking and listening

- Take my turn to speak and my turn to listen.
- Responding to audio presentations and discussing with talk partner or wider setting.
- Show respect for what others say.

Numeracy and Maths

- Developing my knowledge and understanding of 2D and 3D shape.
- Learning and developing understanding of numbers to 2 decimal places.

Continuing to use a variety of strategies to solve problems

- Identify key words to solve word problems
- Add or subtract using the Jump Strategy; Split Strategy and Jump to the Decade and Over Jump.

Health and Wellbeing

Rugby and P.E.

- I am practising, consolidating and refining my skills to improve my performance.
- I am developing and sustaining my levels of fitness.
- I am learning to referee a game of basketball.

Social Studies

- Researching Rights of the Child and creating posters to highlight the plight of children in other countries
- Learning about traditions and festivals in Germany
- Developing our knowledge of the German language

French

I am developing confidence and ability in short conversations

- Answer the register
- Follow class commands
- Days of the Week
- Weather
- Counting to 100
- Food

Art/ Drama

- Creating a poster for Creating Confident Kids (Equality)
- Confidence building activities

Notes/Events
